

### **Annual Hickory Day at Kingston Heath Golf Club Sunday August 18<sup>th</sup>, 2019**

The Annual Hickory day was held at its regular venue Kingston Heath Golf Club, still in winter dormancy, but continued to be a great track for hickory play.

Competing for the Frank Shepherd and Burtta Cheney trophies, the field of 22 headed out to play their 9-holes with the threat of heavy rain and thunderstorms due to hit mid-afternoon.

With much radar watching, the darks skies loomed and just caught the final groups on their closing holes.

Passionate hickory collector and player Peter Stickley scored 18 points and won the Frank Shepherd trophy and Secretary Kim Hastie successfully defended her title winning the Burtta Cheney trophy also with 18 points.

President Graeme Ryan joined in post golf, to speak to the group and make the presentations with Secretary Kim Hastie.  
The Golf Society appreciates the club for their ongoing support and their hospitality ensured another very enjoyable Society event.

### **Results**
