COVID -19 threat - Update #2 to members 4 May 2020

Dear GSA Members,

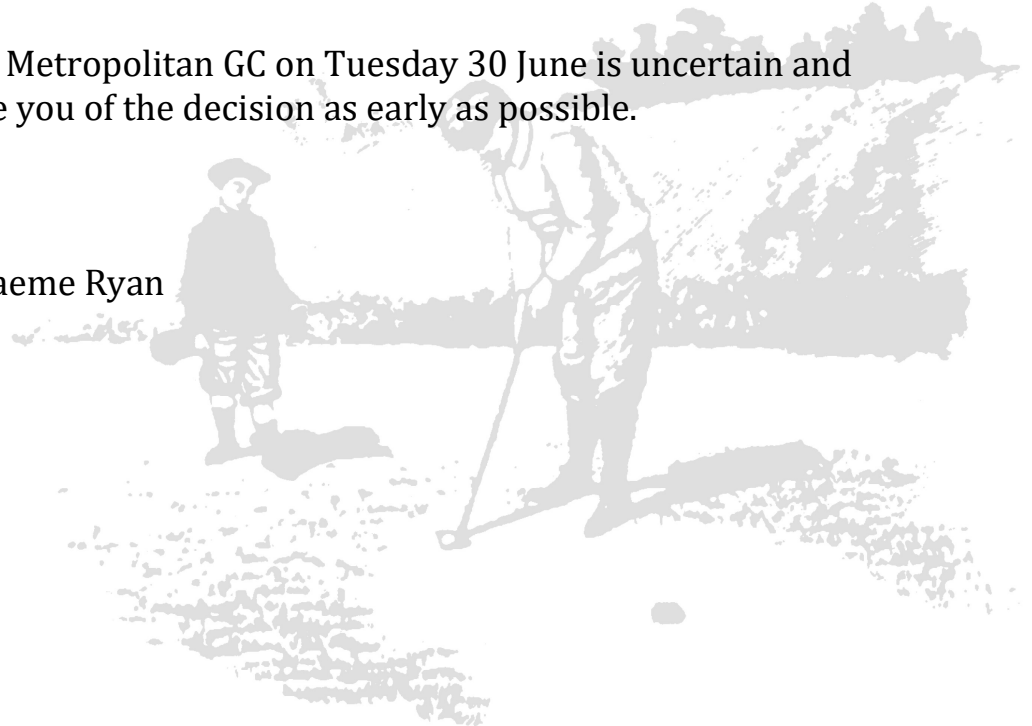

The committee and I trust you are all well and looking forward to the resumption of golf later this month, hopefully.

Regarding future events, we have decided to indefinitely postpone the Don Lawrence Trophy which was scheduled for Tuesday 12 May.

The dinner at Metropolitan GC on Tuesday 30 June is uncertain and we will advise you of the decision as early as possible.

Stay well.

President, Graeme Ryan
