COVID -19 threat - Update #1 to members - 23 March 2020

Dear Members,

Due to the threats and uncertainties we are facing over the next few months, some GSA functions/events are likely to be cancelled or postponed.

My committee and I are conscious of our responsibilities and committed to minimising the impacts of the virus on our activities.

I know you understand that this is an extraordinary situation for us all and can assure you will be kept informed.

Regards,

Graeme Ryan
President, Golf Society of Australia
